Dear Dr. Roever

With my deepest apologies for this belated letter, I want to express to you my sincere heartfelt thanks for being the guest speaker at our Lackland chapel-sponsored function on 26 January 2007. Your experience with the military, war, and pain has given you a powerful message which you delivered in a most creative way. Your presentation touched and served us well—both the military members and their families alike.

May our Lord continue to guide and bless your message of hope, redemption and eternal peace. We appreciate your personal sacrifices and your encouragement to our military warriors. If I can ever assist you, please don't hesitate to call at (210) 671-4101. God bless you.

Sincerely
