Honestly, this nation and the world have gone insane. It seems like COVID-19 has affected the brain of leadership worldwide, but especially in America. Our schools have gone insane. They're thinking between their legs, not between their ears! It has been a total endorsement of idiocy, and I cannot be quiet any longer. This entire trans movement has gone crazy. They don't know what they want. They don't know how to get "it" because they don't know what "it" is they are trying to get. Their ignorance of this entire matter is pure rebellion against God, which is the same as witchcraft.

They are like a ship without a rudder. And, it is indeed, rebellion against God.

Humanity is His most loved of all His creation. More than the stars; more than the moon; more than all the other creatures. He loves humanity, and His desire is for fellowship with mankind, man, and woman, who were created for His pleasure...in His image.

*"Thou art worthy, O Lord, to receive glory and honor and power; for Thou hast created all things, and for Thy pleasure they are and were created." Revelation 4:11 KJV*

Richard Dawkins declares there are only two sexes as a matter of science. In his own words, "That's all there is to it." So, you can trust God or trust the science that says there are only two sexes. (Cont'd on page 2)

**This rebellion against God is the last of all the great rebellions that God will tolerate. No mas, no mas! It's over friends. This is the last of the last! "God will not be mocked, as a man sows that shall he also reap." Galatians 6:7 KJV**

**Political parties today have destroyed the last visage of sane conversation and it is now time for God to deal with these rebels once and for all. The riots, the hatred, the murders, and the killings of people by use of weapons in mass murders are one of the most chilling events of our generation.**

**Military suicides and teen suicides are up nearly 50%. It is obvious that Satan has unleashed demonic forces in the very areas that are listed above.**

**Sexual confusion begins at the earliest ages concerning sex and their role in it, and it results in the destruction of the minds of our children. The United Nations has just endorsed one of the worst propositions regarding children and it's sponsored by Bill Gates. They are actually suggesting the sexualization of children to be used in the sex trade! Jesus said, "Suffer the children to come onto me." We're messing with the biological difference of sexes in defiance and rebellion against God and we're messing with children who are closest to the heart of Jesus!**

**My work in the military and schools is more important now than ever! I was with the Air Force a few weeks ago, with suicides prior to my visit. Please help me help our troops. Teens are taking their lives in an unprecedented way, especially those undergoing transgender surgeries.**

**Our first quarter income of 2023 is the worst in decades. Inflation is killing our donors and I need your commitment to do anything possible to keep a sane voice in our military and school classrooms. Godly values are attacked daily. Sometimes I feel as though I stand alone. I do not know of any ministry with the access I have. My calendar is the most demanding ever.**

**Help me keep that door open.**

**I am grateful that "where sin abounds, grace much more abounds." This lost and dying world needs to experience that grace and I stand ready to go wherever the Lord leads. Thank you, in advance for your support! The Lord calls and He supplies. Now we all must play our respective roles for the Kingdom.**

## God is bigger! Written by Matt Roever

It's that time of year when the flowers are blooming and the birds are singing. It's a time of new beginnings, a time for a fresh start. Now is a great time to get outside, breathe in some fresh Spring air, and get alone with God. Look intently at His handiwork and remember He has made this all for you. The scriptures say, "Jesus told him, "I am the way, the truth, and the life. No one can come to the Father except through me." John 14:6 NLT Let Him lead you in all your ways and He will take care of you. His word promises you He will.

Even when everything around us seems like chaos, these next scriptures are there to remind us that He truly has it ALL under control.

"Who else has held the oceans in his hand? Who has measured off the heavens with his fingers? Who else knows the weight of the earth or has weighed the mountains and hills on a scale? Who is able to advise the Spirit of the Lord? Who knows enough to give him advice or teach him? Has the Lord ever needed anyone's advice? Does he need instruction about what is good? Did someone teach him what is right or show him the path of justice?" Isaiah 40:12-14 NLT

When reading these scriptures, I have often thought, if this describes just how big His hand is, how big can He be? He is bigger than anything we could even imagine. Remember, when you think your life is full of problems and issues, God is bigger than all your problems. You can make it!

HAPPY MOTHER'S DAY!

## From a Mother's heart Written by Jaime Roever

Being your Mom has been one of the most rewarding things I could ever do in my life. You were once so little and required all of your needs to be met...from eating, drinking, and even having your bottom wiped.

As you grew older, you began to stretch out your wings of independence, but only until you got scared, nervous, or hurt. I was right there to comfort, encourage, and love all of your insecurities away. As your Mom, there was always a huge part of me that loved when you ran back into my arms. Another part of me knew I had to help push you to be able to strengthen your wings when you became uncertain.

Over the years, that is exactly what happened! You began taking flight on your own, but you continued to have the assurance of a safe place to land.

Now, you are an adult, almost the same age as me when I became your Mom. We've both grown wings, because it wasn't just you growing and learning, I was too. Like you, I also had the assurance of a safe place to land...sheltered in the wings of my Father. It's where I went for strength, wisdom, and guidance. As I grew alongside you as your mom, I didn't always have perfect days, but they were always perfect because you were, and are in them.

I will always support, encourage, and love you. I desire that your life will continue to be strengthened with wisdom, discernment, love, joy, peace, favor, protection, and eternal love that can only be found in His wings. With Christ at the center of your life, for all of eternity, you will have a safe place to land.

*"He will cover you with his feathers. He will shelter you with his wings. His faithful promises are your armor and protection." Psalms 91:4 NLT*
