THE GREAT CONFLICT OF CHURCH AND STATE

BY DAVE ROEVER

The great powers of God vs. Satan will inevitably be in conflict.

Right and wrong. Good and evil.

The contrast of:

Corruptible vs. incorruptible.

Temporal vs. eternal.

Death vs. life.

Spirit vs. flesh.

The Quick and the Dead.

The battlefield is the soul of man.

The Spirit of Christ was at war with the flesh of Christ and caused His soul to be troubled. He cried out, "What shall I say? Save me from this hour (battle)? But for this cause came I into this hour (battle)!"

His Father's will was at war with Satan for the souls of mankind, and the God/Man (Church) was at war with the Flesh/Man (State).

Human government is inherently at war with God's government. The "twain shall never meet." It is impossible to co-exist.

God did not crucify Jesus. State did.

The soul of humanity was troubled, and the sinful spirit/man of the religious community was the battlefield. They cried, "Crucify Him!" The battlefield victory between church and state is dependent on the will of mankind to "choose this day whom you will serve!" The battle for the soul MUST be decided today. This day. Not tomorrow or next week.

Today. Today is the day of your salvation.

The consequences are beyond measure. Such inconceivable and eternal reward of complexity is contingent on such an elementary act of the human will. In the words of Jesus... “nevertheless, not my will, but thine be done.” A simple yes or no. At that point, the question of the government is answered. The question of control is answered. Victory or defeat in the great battle for the soul is determined by a simple “yes” or “no” from you and me. Satan cannot force the decision.

The problem in the Garden of Eden was not the “apple in the tree.”. It was the “pair on the ground.” Choices are ours to obey or disobey. But, make no mistake, the decision to follow Christ will have immediate consequences.

The Church today is under the most severe attack since the existential threat of Jesus to His peers and powers that be, the State. The pawns of these powers are us—you and me. We are the warriors on the battlefield. Our collective passions and purposes determine the outcome of the conflict. Together, we stand; divided, we fall.

From the individual choices we make being the “collection of saints,” the Church, we fight against the “powers of the air”...evil controlled by the “God of this world”...Satan/State. This entire conundrum can be traced to the day Israel said they wanted a man to be their king, not God.

God is not elected.
He is not persuaded by lobbyists.
He is not a democracy.
He is a theocracy.
He is not temporal.
He is everlasting.
He is not a theory.
He is a fact.
He is a threat to the State and the hope of the Church.
Our King is our allegiance!

Persecution is not just around the corner. It is already here. The old question remains. If you were arrested today for being a Christian, would there be enough evidence against you to be convicted? The responsibility for preparing to do battle is ours...the pawns on the battlefield. Equipping ourselves to serve church or state is not optional. It's not a lottery. It's a draft, and everyone will serve one or the other. No opting out!

This is the curriculum taught to our warriors in our programs. Never surrender. Never compromise. Never quit.

The outcome of this battle is never in question! Our God reigns! Let His enemies be scattered! State will pass away, but Church will be forever! Amen, and amen.

We do not play games with our attendees at our programs. They are fed meat, not milk. When you support Operation Warrior Reconnect, you are changing warriors' lives with lasting truth that sustains them in battle. Thank you for caring enough to contribute. If you or a veteran/first responder are interested in attending, please get in touch with us for the next available program to attend. All costs, including travel, are covered in full.
