

Kathy Wampler is anointed to minister the gospel through singing and preaching. She seeks God, to receive His heart, and ministers with conviction and authority, from deep within her being. She is a woman of unshakeable faith and strong Biblical knowledge, which shines in everything she does.

Her messages reach deeply into the hearts, challenging the hearers to be open to the light of God's truth. She is passionate for lost and hurting people to know that Jesus Christ transforms and sets free. Kathy has a heart for women's ministry, but she ministers in all settings including weekly worship services, evangelistic outreaches, and special events. She often integrates music with her message.

Kathy is a pastor's daughter who watched her parents serve the local church body and their community with integrity and compassion. She considers being a "preacher's kid" one of the highlights of her life. Her parents' solid faith provided a foundation of truth to build her life upon.

Kathy leads the women's ministry of Roever Evangelistic Association, which includes the annual Just Gals Conference, Abide Retreats for women, and speaking engagements across the country. Kathy, along with her husband David, have been a part of the ministry of Roever Evangelistic Association, for over 25 years. Kathy is an ordained minister. She has produced three records, available on iTunes and other digital markets.
